FS65: Smart and safe apron-toe Gibson ideal for industrial office use. Formal mono-black lace up style with three subtle perforated eyelets. Steel toe cap protection to 200 joules impact. Single density PU outsole with flexible protective composite midsole allowing feet to move naturally whilst providing underfoot protection. Antistatic construction ideal for shop floor or front of house floor surfaces where static can build up. An energy absorbing heel provides all day comfort to minimise fatigue. Meets SRC slip resistant standards.

- ◆ 3 Blind Eyelets
- ◆ Black Round Laces
- ◆ Antistatic
- ◆ Energy Absorbent Heel
- ◆ Oil Resistant Outsole

Care Advice: To enhance the life & performance of the footwear, upper should be kept clean & dry. Dry/damp cloth or shoe polish/spray to be used as per the need. Sole to be checked and clean regularly to maintain its traction. Any obvious damage in footwear may reduce full protection and must be replaced.
